Site Information

Safety on site

Fire point

Please check where your nearest fire point is so you can raise the alarm if you discover a fire, make a note of where the assembly point is and read the fire action notice. Fire extinguishers are provided at the fire points. If fire breaks out, follow the Site Staff's instructions. Keep your children safe by making them aware of the danger of emergency services rushing to the scene. In the event of fire, alarm/warning bells are located at all service points.

Dogs and other Pets

You are responsible for your pet's behaviour. Please make sure your pet is under control at all times; dogs must be kept on a secure lead no more than 2 metres long. Please exercise your dog in the dog walk/areas, where provided. We know accidents can't always be avoided, but please clean up quickly and use the dog bins provided. Unless you have an assistance dog, dogs aren't allowed in the toilet blocks, laundry rooms, dishwashing areas or shop.

Supervision of children

Parents or guardians are responsible for the safety of children in their care at all times whilst on site. Play areas are never entirely risk free, so we ask children are supervised by an adult. Please remember you are responsible for your children on site.

Visitors

Please ask your visitors to park in car park and meet them at reception.

Vehicles and cycles

For the safety and enjoyment of everyone on site, please keep your speed down. The speed limit on all sites is 5mph; that's 1st gear. Pedestrians always have priority over vehicles when crossing site roads. Please expect that young children may move around your vehicle carelessly, because they have little understanding of road risks, and adapt your driving technique to allow for this.

Please make sure you follow one-way systems and there should be no cycling on site during the hours of darkness.

Adjacent river

Rivers can be dangerous, especially when in flood. Please ensure that children are supervised by an adult at all times. Fishing permits are available from reception.

Site facilities

Toilets and showers

The toilet cleaning times are shown at the block. There is a baby and toddler bathroom for children under 4 years old. Keys are available from reception. Please ensure that children are supervised by an adult at all times. A RADAR key is needed to access the accessible facilities.

Laundry

Washing machine £4.00, Tumble dryer £1.00. Washing sinks are also available. Please do not hang washing lines between trees or on the fences.

Play areas

There is a picnic area/play field located near the river. Please make sure that children are supervised at all times.

Games room

There is a games room with pool tables, table football, table tennis and television. Bats and balls may be purchased at reception. Children under age 10 must be supervised by an adult.
